

Your Home Improvement - Insured.

Your installer has partnered with HomePro to provide you with extra peace of mind.

We've been in the Industry, and insuring home improvement work, like yours, for over 25 years.

What is an Insurance Backed Guarantee?

An Insurance Backed Guarantee provides added protection for your investment, providing an extra layer of security by backing up your installers written guarantee in the rare event that they cease to trade.*

Policy Information

Like any insurance policy, exclusions and limitations apply. To view the full list in the Terms and Conditions and Insurance Product Information Document, visit the Homeowner Hub online at
